*Michael S. Schwartz, Fire Chief***

Firefighter Paramedic

Posting Date:

July 15, 2019

Final Filing Date:

Monday, August 19, 2019 by 5:00 p.m.

Typical Duties:

Successful applicants shall provide the highest possible level of fire, rescue, and pre-hospital emergency medical services as part of a firefighting/emergency services team. Position functional requirements: lays hose and directs fire streams, sets ladders, ventilates buildings, provides salvage/overhaul, uses hand and power tools; engages in wildland and urban interface firefighting; applies first-aid and provides advanced life support emergency medical services; provides public education; assists in defensible space and prescribed burning programs; performs routine maintenance of station, apparatus, and equipment; assists in fire inspections, investigations, prevention, and pre-planning activities; participates in drills and training activities; and performs other related duties.

The applicant must maintain the physical endurance, muscular strength, and agility to satisfactorily perform the essential functions of a firefighter, specifically including but not limited to stooping, lifting and/or carrying heavy objects, running, crawling, walking on uneven surfaces, working safely in or adjacent to moving water, climbing ladders, pulling heavy hoses, and wearing and carrying heavy equipment.

Minimum Qualifications:

- Minimum of 18 years of age
- Current California Class C driver's license or equivalent
- High school diploma or equivalent
- Current California State Paramedic License or National Registered Paramedic (California Licensed and local accreditation required within 60 days of appointment)
- Current CPR certification to the Health Care Provider level
- Current PALS or PEPP certification

Desirable Qualification:

- California State Firefighter I; or IFSAC; or NFPA Firefighter II
- California State Firefighter 2 or Equivalent
- Two years or equivalent of full-time experience as a firefighter/paramedic or paramedic within the last five years
- Associate's or Bachelor's degree
- CSFM Driver/Operator 1A and 1B, or equivalent
- California or Nevada Class C License with Firefighter Endorsement

Application Procedure:

Visit <http://northernnevadafire.org/> to review the application process and submit a Job Application.

Examination Process (tentative dates):

- Written Exam (September 3, 2019)
- Physical Agility (September 4, 2019)
- Assessment Center (September 5 & 6, 2019)
- Chief's Interview (September 11 – 13, 2019)

Pre-Employment Requirements:

Those offered employment are subject to a fingerprint-based background investigation and a drug/alcohol screening. Employment is contingent upon passing the background investigation and the drug/alcohol screening.

About the District:

The North Tahoe Fire Protection District protects an area of 31 square miles on the north and west shores of Lake Tahoe. This is a popular, year-round recreation area featuring a multitude of winter sports and all types of water activities, hiking, and biking throughout spring, summer, and fall. A large number of tourists are drawn to the area, which results in significant population changes on a seasonal basis.

The District operates 6 stations with employees (60 full-time personnel, 1 part-time personnel) and responds to approximately 2,000 alarms per year.
